GIVE THE GIFT OF READING

Membership at any level benefits the Friends and the library. Applications are available in the Friends Book Store.

THE GIVING TREE was created to honor donors from the original building campaign in November, 2002.

Brass and copper leaves are inscribed with the names of individual and corporate donors. Help the Friends finish the tree by purchasing a leaf. This is a wonderful way to show your support of both the Friends and the library.

Copper Leaves - \$500 - \$1,400

Brass Leaves - \$1,500 - \$50,000

The Friends of the Bluffton library evolved from the original group of dedicated Bluffton volunteers. We continue their tradition by serving as enthusiastic and generous supporters who provide funds for materials and services that exceed the library's limited budget. Historically, currently, and into the future, the Bluffton Branch Library depends on volunteers like The Friends.
