

Gift Book Program

The Friends of the Bluffton Library are pleased to introduce our new Gift Book Program which celebrates a child's birthday or other happy occasion in a special way. Your participation in this program creates a positive environment that can foster a child's love of reading.

Gift Books may be purchased for \$20.00. A gift card will be provided to present to the child to let them know that a Gift Book has been chosen especially for them. The child will be notified when the book is received at the library and will have the opportunity to be the first one to check out his or her Gift Book.

A bookplate will be placed inside the front cover of the book with the child's name and appropriate message. Children are excited to see their name in a library book and possibly discover the name in a book that they can take home.
